

YOU CAN SAVE TIME AND MAKE MORE SALES WITH HBNIMBLE!

Try our new multi carrier, online, mobile enabled, drop ticket option. It is quick and easy!

Our online drop ticket option is the fastest route to an underwriter when a purchase decision is made. You save time which means you can make more money.

You can have access to the following carriers on our platform:

AIG, Banner, United of Omaha, NACOLAH, Pacific Life, Protective, John Hancock & SBLI

It's as easy as 1, 2, 3

Step 1 - Have a 5-minute interview with your client to gather the basic information needed to create an order for life insurance.

Step 2 – A specialty trained Call Center contacts your client to complete the full application over the phone. They also set up the Paramedical exam (if necessary) during the 20-minute call.

Step 3 - You sit back and wait for the policy to be issued and your commission to be processed! It's that easy.
